

A pub wouldn't be a pub without a great range of Beers, Ales, Wines and Spirits, and we have worked hard to put together a bar selection which offers a wide range of tastes and choices that match the needs of our clientèle.

Our regular 'house' hand pulled ale is Black sheep bitter From Black Sheep Brewery is a truly traditional premium ale brewed to revive flavours enjoyed by our Victorian ancestors. The Guest ale hand pull frequently changes so that it offers our customers some variation and also encourages them to taste something new. Many of our guest ales come from small local breweries which have won awards.

We always listen to opinions, and recommendations from our customers and often will make our ale choices based on their thoughts.

We pride ourselves on our drinks and work hard to keep them tasting as they should. Our cellar is temperature controlled to between 10° and 12° specifically so that every hand pulled pint tastes as good as it does the day it was made at the brewery. Our bar is always well stocked so that we can offer our clientèle everything they should ask for. Everyone appreciates a good pint and a nice meal, this is our aim.

Why not try one of our fantastic wines, or if you fancy something different – try one of our Gins,. we are sure there is a drink for you to enjoy.

We also stock Alcohol free lagers and soft drinks for those who are driving.
